BESPORTIVE

La linea SPORT BESPOKE offre ad appassionati e sportivi il massimo del comfort con il vantaggio di un capo completamente personalizzato.

Il kit nasce da un rotolo di tessuto 100% poliestere che viene prima personalizzato in sublimazione, poi tagliato a laser ed infine cucito in sartoria.

Grazie a questo processo, è possibile realizzare capi unici che grazie al tessuto 100% poliestere a fibra elastica avranno colori sgargianti e duraturi (anche dopo diversi lavaggi), ma anche una perfetta aderenza al corpo, per movimenti fluidi e funzionali.

The SPORT BESPOKE line offers passionate sportspeople maximum comfort with the great advantage of a completely customized garment.

The kit comes from a roll of 100% polyester fabric that is first personalized in sublimation, then laser cut and finally carefully sewn.

Thanks to this process, it is possible to create unique garments that, thanks to the 100% polyester fabric and elastic fiber, will have bright and long-lasting colors (even after several washes), but also a perfect adherence to the body, for fluid and functional movements.
